Reserve Bank of India

# Q1. How useful Information has been organized in this site?

Database on Indian Economy (hereafter DBIE) has mainly three parts - Home, Statistics and Time-series Publications.

## Home

Home is mainly divided into two parts. 1. **Important Economic Indicators** and 2. **Economy at a Glance** through **dashboards**. Flash player needs to be installed in client PCs to view the dashboard. Home page also contains an interactive report named '**Branch Locator**' which is very useful to find out scheduled bank's location & other related information.

The screenshot shows the Reserve Bank of India's Database on Indian Economy (DBIE) website. The page is titled "Database on Indian Economy" and "RBI's Data Warehouse". It features a navigation menu with "Home", "Statistics", and "Time-Series Publications". The main content area is titled "Economy Watch" and includes a "Weighted Average CALL Rate & Policy Corridor (Weekly)" chart. The chart shows various indicators like Repo Rate, Reverse Repo Rate, and MCLR Rate from 2008 to 2014. The page also has sections for "Important Economic Indicators", "Economy at a Glance through Dashboards", and "Useful Links".

Users have the facility to provide feedbacks using the **Feedback** option available on homepage. Contact details are also available in '**Contact us**' for further interaction.

Home page also contains information about the following three areas under the head '**Useful Links**'.

1. [Downloading Data into Excel](#)
2. [DBIE Data Profile](#)
3. [DBIE Data Release Calendar](#)

## Statistics

The entire statistics have been presented in seven subject areas. They are Real Sector, Corporate Sector, Financial Sector, Financial Market, External Sector, Public Finance, Socio-Economic Indicators. Sectors have different sub-sectors and reports under the sub-sectors have been organized on periodicity wise.

## Time-Series Publications

Under Time-series Publications, various tables available under the Banks publications are organized under the respective publication tabs. Time-series Publications differ from the print-versions of the publication in terms of the report formats. Reports under Time-series Publications are continuously updated without waiting for the annual print versions, and the report formats are time-series friendly and has historical data. Presently the publications that are presented under Time-series Publications are Money Market Press Release, Weekly Statistical Supplement, RBI Monthly Bulletin, Quarterly Statistics on Deposits and Credit of

SCBs, Statistical Tables Relating to Banks in India and Handbook of Statistics on the Indian Economy.
